

Annual Reunion and Luncheon

June 22, 2014

On June 22, 2014 the annual reunion and luncheon for the Educational Leadership Enhancement Program took place on our University's beautiful Biscayne Bay Campus. More than 70 alumni and several invited guests gathered to meet and network with colleagues from throughout the University. The morning program featured a lively panel discussion with Vice President Elizabeth Bejar, Vice President Jaffus Hardrick and Senior Vice President Howard Lipman. It was especially rewarding to have the opportunity to congratulate Elizabeth Bejar, an alumna of the 2005-06 alumna of the ELEP on her appointment as Vice President of Academic Affairs. After listening to the engaging panelists and a pointed Q&A the audience adjourned to the adjacent new and sparkling dining room in the School of Hospitality and Tourism Management for a sumptuous lunch.
